in Ohio.

Columbus O., July 27.—With a can-idate for governor who was nomi-pervision and regulation of all public Columbus O., July 27.—With a candidate for governor who was nominated by a combination of regulars and progressives," and a platform pronounced good by the former element and ninety-nine per cent. good by the latter section of the party, the Ohio republican convention broke up and went home today in a state of much contentment.

The Ticket. The ticket is made up as follows: For Governor-Warfen G. Harding

of Marion.
For Lieutenant Governor-Francis
W. Treadway of Cleveland.
For Secretary of State, Granville W.
Mooney of Austinburs.
For Attorney General—U. Grant
Denman of Toledo.
For Treasurer of State—Rudy A.
Archer, of Belmont county.
For Justices of the Supreme Court—Will B. Crew of McConnellsville, and
Augustus N. Summers of Springfield.
For Clerk of the Supreme Court—John S. McNutt of Salem.
For Dairy and Food Commissioner
For Member of the Board of Public
Works—George H. Watkins of Portsmouth.

For Commissioner of Common Schools—John W. Zeeler of Findlay. The Naminee for Governor.

Warren G. Harding, the nominee for ry squabbles of the conven-ribed as "everybody's second. He is the editor of a newspaper at Marion, he has been lieuten-ant governor and United States sen-ator. He is known in the state as an effective stump speaker and has serv in that capacity for other candi-

No Long and Bitter Struggle. Until today, however, it had ap-eared beyond reasonable expectation at the convention would arrive at any the consideration of any second choices without a long and bitter struggle. George R. Cox of Cincinnati had said that he would stay with lange Oren B. Brown of Dayton to the thirtieth ballot if necessary, the "progressives" were refusing to consider analysis but larges B. Gardeid. der anybody but James R. Garfield, he was not, however, an announced andidate, and the men ordinarily tentified with the national adminis-ation side and state politics were

Thompson and Mr. Harding. Garfield and Thompson Withdraw. The finish of the fight was peculiar, r. Garheld announced that his name

Garfield, without any announced reason.

The Voting.

Mr. Cox broke the news of Secretary
Thompson's withdrawal on the convention floor, and the Brown men for the
first time claimed a victory on the first
ballot. Then the Cuyanoga county
(Cleveland) delegation, of which Sentior Furton was chairman, gave 36
votes to Congressman Nieholas Longworth.

Judge Brown, who was second on the

worth.

Judge Brown, who was second on the first ballot with 412 votes dropped 10 363 on the second ballot, and the Longworth vote increased from 92 to 184. Nearly all the "progressives" were vetting for Harding. The 26 Clevelanders, who all voted for Longworth on the second and third roll-calls, were yelling wildly for the Checimnati man. Oh the third ballot, by the time the vote had reached Hamilton county, the Longworth candidacy was advancing in great strides. was advancing in great strides.

Chairman Cox surrendered with discretion. He aroge and cast the 2 hamilton county votes for Harding All but 126 of the Brown supporters. Harding and the nomination was made by the good margin of 551 votes over the nearest competitor—the Cincinnati

Nomination Made Unanimous. The Platform

The platform opened with a warm endorsement of President Taft, declar-ing that the record of achievement of and guarantees faithful adherence to all the piedges of the last republican national elatform. The election of a republican congress next November is imperatively necessary to accomplish the entire programme of the Tart ad-

Of the tariff it says: The tariff has been revised in accordance with the republican doctrine of protecting home industries and American labor. It did not raise the rate of duty on a single common food product. The increases than adequate protection to the indus-tries of the nation and is fair alike to consumers, laborers and producers. No tariff bill was more unjustly as-miled. It has justified the expecta-tions of its friends by turning a pational deficit into a surplus, while, at the same time, reducing the average rate of all duties. Its maximum and minimum rates have operated to give us for the first time equality of opportunity with other nations in our for-

industries, and has established a

the estate of Michael J. O'Brien, president of the Southern Express company, changing conditions or that otherwise may be found to exist, congress has provided a tariff board, with an simple appropriation, for the investigation of the differences in the cost of production of the differences in the cost of production.

Cabled Paragraphs.

Paris, July 27.—Estelle, owned by W. K. Vanderbilt, today won the Prix Filibustier, which was run at Trem-blay. The same owner's Mirambo fin-ished second in the Prix Banter.

Paris, July 27.—Henry Rochette, the French promoter, was found guilty today of swindling through a violation of the corporation laws and condemned to two years' imprisonment and to pay a fine of \$600. The trial has been long and sensational.

Belfast, July 27.—Encouraging reports were made today regarding the Rev. William John McCaughau, formerly of Chicago, and his wife, who were dangerously injured when they jumped from a window of a burning hotel yesterday. The condition of both was said to be satisfactory.

Hamburg, July 27.-No regular ound was contested in the chess tourney today, but pay was resumed in five adjourned games. Schlechter, who has lost only 1 1-2 points, now takes first place. Marshall lost two points, second place, while Niemzo-

manlike Conduct."

New York, July 27 .- The protest Charles K. Hamilton against Glenn H. Curtiss for "alleged unsportsmanlike and unfair conduct" will be acted on by the executive committee of the national council of the Aero club America on Monday, August 1. Jeron S. Fanciulli, secretary of the committee, will not vote because of his interest in the management of Cartle business.

of Warren G. Harding as the republi-can candidate for governor of Ohio. Mr. Taft spent all but the early fore-noon hours at sea and thus was cut off Hamilton contends that he has bee barred from the coming meet Harvard Aeronautical association Wireless on Mayflower Gets Balky.

A telephone wire alone reaches Biddeford Pool, which was all aflutter today with excitement over the president's visit, so the chief magistrate's advisers chose the wireless as the best method of keeping him informed. If Mr. Taft had planned the itinerary of his cruise with the special purpose of being difficult of access on the nominating day of the Ohio convention he could not have devised a better schedule than that followed today. To add to the difficulty of reaching him, the wireless on board the Mayflower got cranky and worked very little.

The president finally came ashore here at 5 p. m. He was expected to disembark immediately after the, Mayflower anchored at 3 o'clock, but there was a long delay on shipboard, due, it was said to a break in the machingry of the 'president's power launch. cause of representations made by tiss to the management, "Curis claims," wrote Hamilton in his lette of protest, "to have a contract with me to fly a Curtiss aeroplane. I em-phatically deny that he has any right to my services, the contract having been cancelled by him in writing over his own signature, and by his own acts in breach thereof. Claims and counter-claims for damages are now pend ing in the New York courts."

AUTO TURNED TURTLE, OCCUPANTS ALL HURT. New Haven Line.

Wallingford, Conn., July 27.—An automobile driven by Thomas Lawlor, a chauffeur in the employ of Kirk & company, of 170 Temple street, Naw Haven, and in which there were two in Ohio.

Mr. Taft seemed delighted over the outcome in Ohio. He was still without information as to the convention of the platform, but seemed to take it for granted that everything had been harmonious. The president has a very high estimate of Mr. Harding. He said today that with the possible exception of former Senator Foraker, he regarded Mr. Harding as the best campaigner in the state of Ohio, on either side. Mr. Taft said Mr. Harding is a forcible and eloquent man and he gave every indication in his informal discussion of the situa-

CHAUFFEUR STARR ESCAPED ON PAYMENT OF COSTS Injured Man's Family Did Not Want to Prosecute Case.

Madison, Conn., July 27.—The case of the town against Burgis Starr, a chauffeur, who was charged with the reckless driving of an automobile was held before Judge Marsden in the town court here today and the charges noil-ed on the payment of costs. Starr was driving an automobile at what was said to be a high rate of speed, and ran off an embankment near the Mad-ison bridge. Robert Butler, one of the occupants of the machine, was thrown out and so badly injured that of out and so badly injured that of a time it was thought that he would not live. Today Butler's father appeared evening.

There were only eleven passengers on the car, every one of whom was more or less severely injured. Miss Catherine Hogan received internal which may prove fatal. All the before the court and said that the family did not wish to prosecute the case. Starr, whose license had been taken away, went to Hartford after the trial and secured it again.

at the crossing were open and that he EXTRADITED TO NUREMBERG. Boston Man Must Face Charge Raising Money on Bad Draft,

Boston, July 27.—After resisting extradition to Germany since April 1. Helnrich Zentner, formerly a metal merchant of Nuremberg, was ordered returned to the Bavarian city today by United States Commissioner Hayes, Zentner is wanted in Nurem-Havana. July 27.—General Minet, who two days ago started an uprising near El Caney, was surprised in camp today and captured by a detachment of the rural guard under Lieutenant Cartillo, One of Minet's insurgents was killed, Minet and two others were taken prisoners and the others flad.

Bridgeport Boy Loses Both Legs, Struck by Trolley Car. Metz, Germany, July 27.—Dirigible balloon manouevres under war conditions, which began here on July 16, were continued today. The Zeppelin I., the Gross and the Parseval went through a series of evolutions in squadron formation over the city and surrounding fortresses. They answered every turn of the steering gear with absolute precision. Bridgeport, Conn., July 27.—A trolley car today struck 13 year old Thomas Andes of this place as he was returning from swimming in the Housatonic river, Stratford. His right leg was cut off and the left partly severed. He died soon after being brought to a local hospital. Andes in company with two boys named Dolger was returning home and jumped on the back of a truck. One of his companions pulled him and the two were wrestling in the middle of the car tracks when the car

The Colonel Has Trouble in Keeping Pace With the Shifting Republican Situation in New York State.

Oyster Eay N. Y., July 27.—Those who heard Theodore Roosevelt talk at Sagamore Hill today came away with a definite idea of what his attitude will be in state and national politics. Primarily he wishes to keep in the background in the background in the approaching campaign for he feels that by taking too prominent a part he may be accused of assuming dictatorship. He tells his visitors that he is anxious to take a hand as a private citizen, but he is willing to go no further.

Will Help Those Who Stood by Him. Broadly speaking, he will do all in his power to help the men who stood by him and his policies during his years in the White house, but he is non-committal as to whether he expects to carry this to the point of coming out openly in favor of the repub-licans all over the country whom he considers to be standing for his ideas. He does say, however, that he must forget factional differences and even party lines and support the more and party lines and support the men and the things which he believes to stand for the best interests of the country as a whole. But he has not made up his mind when he will take any de-cided stand.

The New York Governorship. The republican situation in this state shifting so rapidly that the co pace with it. During today's inter-view were mentioned to him the names of Representative Hamilton Fish and William H. Hotchkiss, state super-intendent of insurance, as having been spoken of recently in connection with the gubernatorial nomination. He re-plied by naming over the whole list of men who have been mentioned, addin- that he had no idea whatever who
